Cord-Electric Wet/Dry Vacuums

Designer wet/dry vacuums are the economical choice for years of dependable operation.

Designer 16

- 16-gallon (61 l) wet recovery capacity
- Dual 1.23 HP motors
- Blowmolded polyethylene body

Designer 7

- 7-gallon (26 l) wet recovery capacity
- 1.23 HP motor
- Blowmolded polyethylene body

Designer 4

- 4-gallon (15 l) wet recovery capacity
- 1.17 HP motor
- Stainless steel tank for long life

- For large jobs, the Designer 16 has an ample 16-gallon wet recovery capacity.
- The Designer 7 is ideal for medium-duty tasks that require 7 gallons of wet recovery capacity.
- For light to medium jobs the Designer 4 is the perfect wet/dry vacuum. Its 4-caster base makes this a highly maneuverable, 4-gallon machine.
- Each Designer vacuum includes a handy wet/dry attachment tool kit and features a one-year warranty.

Each Designer 7 and 16 includes a professional cleaning tool kit. The carpet, bare floor, and squeegee tools are equipped with easy roll wheels.

The Designer 4 is equipped with a 9-piece versatile tool kit.

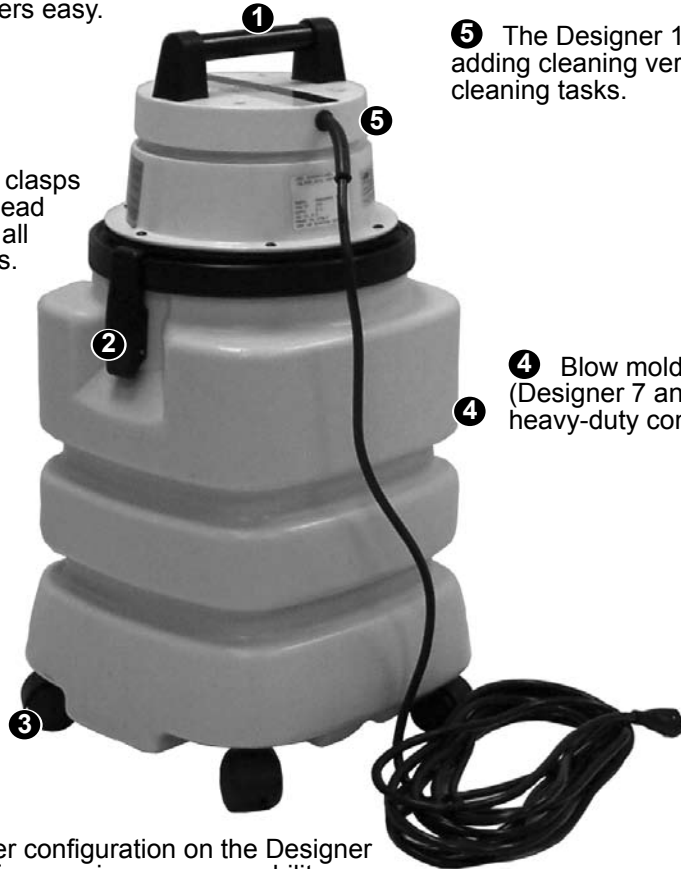

1 Top handle makes carrying the Designers easy.

2 Heavy-duty clasps hold the powerhead onto the tank of all Designer models.

3 Four-caster configuration on the Designer 4 and 7 allow for amazing maneuverability.

5 The Designer 16 uses dual motors, adding cleaning versatility to wet/dry cleaning tasks.

4 Blow molded polyethylene tanks (Designer 7 and 16) stand up to heavy-duty commercial use.

The optional front mount squeegee attachment (#5795351) for the Designer 16 aids in large area wet pick-up.
