

HydroGlide 2 Carpet Tool

For use with Rally Extractors

The **HydroGlide 2** carpet tool from NSS is the next-generation solution for the professional cleaner. Its innovative design helps to reduce operator fatigue and increase extraction of dirt and moisture from carpeted surfaces making each job faster and more efficient.

- Custom fit, durable Delrin® glide reduces drag for smooth operation on any carpeted surface
- Rugged, high density polyethylene crosslink wand head with unique, tear-drop design for optimum water and soil recovery
- Lightweight, only 6.4 lbs.
- Durable, 1-1/2" aircraft aluminium vacuum tube
- In-line filter to eliminate clogging of spray tips
- The spray tips are positioned precisely underneath the wand head to provide streak-free, focused high temperature spray
