

Predator CXH 500

11-Gallon, Adjustable-Pressure, Hot-Water
Tank Extractor

For extraordinary restorative hot-water carpet cleaning, the Predator CXH 500 is the perfect machine. The CXH 500 is the deluxe 11-gallon model of the NSS Predator line.

- Adjustable pressure (variable from 200 to 500 PSI) combines with incredible suction for maximum cleaning.
- Hot, high-pressure solution is blasted into the carpet for a deep cleaning that's 50 percent more effective than cold water extraction.
- The CXH 500 uses two circuits—one for the motors and one for the heater. It comes equipped with a circuit locator to indicate when an additional electric circuit is located to power the on-board heater.
- The internal 1850-watt heating element keeps consistent hot water on hand for the entire job.
- For repairs and maintenance the tip-back feature of the CXH 500 allows easy access to the dual 2-stage vacuum motors, positive-displacement pump, heat exchanger, and other internal components of the machine.

PREDATOR CXH 500 Specifications

Capacity	
Solution Tank	11 gal (41.6 l)
Recovery Tank	10 gal (38 l)
Solution Pump	200 - 500 PSI Positive Displacement
Vacuum Motors	
Type	Dual 2-stage with vacuum manifold
HP	1.25 HP
Closed Waterlift	140 in
Heater	1850-watt with circuit locator
Construction	
Body	Rotomolded polyethylene
Wheels	Two 10 in (25.4 cm) non-marking rubber
Casters	Two 4 in (10 cm)
Hoses	
Solution	15 ft (4.5 m) x 0.25 in (0.64 cm) diameter
Recovery	15 ft (4.5 m) x 1.5 in (3.8 cm) diameter
Drain Valve	Gate type
Float Shut-Off	Ball type
Cord	Dual 25 ft (7.7 m) 12-3 SJT
Sound Level	75 dBA
Dimensions	
Height	39 in (99 cm)
Length	32 in (81 cm)
Width	19.5 in (49.5 cm)
Weight	
Machine	98 lbs (44.5 kg)
Shipping	112 lbs (51 kg)
Shipping Class	125
Warranty	One year limited
Productivity	500 sq ft per hour (46.5 sq m)

- ❶ Clear recovery tank port allows the operator to monitor the level of recovered solution.
- ❷ Rotomolded polyethylene body resists dents and corrosion, translating to years of dependable service.
- ❸ Built-in compartment for the convenient storage of cords.
- ❹ 4-inch swivel casters allow amazing maneuverability during extraction.
- ❺ Large, 10-in non-marking back wheels make transportation on stairs easy.

Use the 2-jet wand pictured above (#4093251) with the Predator CXH 500.

All Predator models are equipped with large, international-symbol rocker switches for easy machine operation.

For repairs and maintenance the tip-back feature of the CXH 500 allows easy access to the dual 2-stage vacuum motors, positive-displacement pump, heat exchanger, and other internal components of the machine.

DO NO HARM™

Cleaning with hot water is 50% more efficient than cleaning with cold. The Predator CXH 500 allows better extraction cleaning while using less or even no chemicals.
