Weight (lbs)	873 - 1,067	984	984	N/A	850	460 without batteries

### THE NSS COMPETITIVE ADVANTAGE

Patented joystick control makes the eForce Scrubber easy to control and less fatiguing to drive.

The touch pad control panel lets the operator work all of the eForce Scrubber controls from one screen. Three solution flow rates, three pad pressures, two pad speeds and two vacuum speeds give you the flexibility you need to maximize your productivity and run time.

Integrity at work.
