## PAD-ASSIST BATTERY BURNISHER

# CHARGER 2022 ABLT

Bring out the luster in your floors with a clean, battery powered burnisher. The high-speed electric motor burnishes without the fumes and noise of a propane burnisher.

- Propane-like performance. A smart motor controller monitors the battery pack and keeps the pad speed constant as the batteries wear down.
- As you shine the floor, a 99.5% efficient filter bag cleans the air exhausted from the burnishing shroud.
- The pad driver lifts to allow for simple pad changes from a standing position.
- Quiet enough for day time use.

**DO NO HARM™**

A clean alternative to propane, the Charger battery burnishers produce no carbon compounds while burnishing. Efficient dust collection maintains your indoor air quality.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

## SPECIFICATIONS

# CHARGER 2022 ABLT

<b>Pad Speed</b>	2200 RPM
<b>Pad Size</b>	20 in (51 cm)
<b>Motor</b> Type Voltage Power	DC permanent magnet 24V 2.0 HP (1492W)
<b>Batteries, Quantity</b>	4 x 6V
<b>Batteries, Type and Size</b>	235 AH Wet 220 AH AGM
<b>Run Time</b> 235 AH Batteries 220 AH Batteries	Up to 3 hours Up to 2.5 hours
<b>Drive</b>	Pad Assist
<b>Safety Switch</b>	Tilt switch prevents operation when the pad is raised
<b>Overload Protection</b>	Machine controller will protect the motor by stopping the pad if current is too high
<b>Construction</b> Frame Housing Flexiwall Shield Front Wheels Caster	12-gage steel channel frame Polyethylene with steel reinforcement ABS plastic with steel liner Two 8 in x 2 in (20 cm x 5 cm) One 4 in (10 cm) ball bearing
<b>Sound Level</b>	68 dBA
<b>Dimensions</b> L x W x H	60 x 23 x 43 in 152 x 58 x 43 cm
<b>Weight</b> Machine Shipping	435 lbs (197 kg) 520 lbs (236 kg)
<b>Productivity (ft<sup>2</sup>/hr)</b>	16,300 (1,514 m <sup>2</sup> /hr)
<b>Warranty</b>	3 year limited warranty

1. Digital display shows battery charge and error codes, if service is needed.
2. Open the cover to service the batteries.
3. Hour meter tracks usage to help you manage your maintenance program.
4. Dust collection bag collects 99.5% of dust to maintain indoor air quality.
5. The flexible housing surrounds the pad channeling air flow into the filter bag.
6. Charge anytime, anywhere with the on-board battery charger.
7. Battery tray with drain collects any spilled battery acid protecting the machine and your floor.

## OPTIONS AND ACCESSORIES

### SENTRY

Monitor machine use through the internet. Sentry helps you manage your fleet by reporting machine usage, charge cycles and more.

### ECOSTRIP

Ecostrip Buff pads have a fine 8500 grit diamond coating that brings back the shine after scrubbing. Perfect for high traffic areas and light restoration work.
