### 30-INCH PUSH SWEEPER

# SIDEWINDER 30

For quick removal of trash and litter, use the Sidewinder 30. Built for indoor and outdoor environments, the Sidewinder 30 works in damp or dry condition. Lightweight and maneuverable, the Sidewinder 30 is ideal for shopping malls, movie theaters, supermarkets, warehouses and parking lots.

- Improve productivity. The Sidewinder 30 makes quick work of hard surface clean-up. Up to five times faster than a push broom.
- Easy to use. The debris hopper has a built-in carrying handle making emptying the machine easy.
- Efficient. The side brooms sweep along walls and curbs, letting you clean right to the edge on both sides of the machine.
- Versatile. The brush height can be adjusted with the dial on the front of the machine. Optimize performance for any surface, indoors or outside.

**DO NO HARM™**

The gear-driven Sidewinder 30 uses no electricity and is quiet enough for daytime cleaning.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

<b>Shipping Class</b>	100
<b>Warranty</b>	1 years parts, 1 year labor
<b>Productivity Practical</b>	34,400 ft <sup>2</sup> /hr (3,195 m <sup>2</sup> /hr)

1. The rugged injection molded polyethylene body and hopper stands up to years of use.
2. The two side brooms sweep dirt and debris away from walls and curbs into the pickup path of the main broom.
3. Large wheels provide excellent traction both indoors and out.
4. Two swivel casters make the Sidewinder 30 extremely maneuverable.
5. Patented belt-free design. No belts to break or adjust. Gear mechanisms are sealed and kept away from harmful dust and moisture.
6. The front wheels are under the brushes and do not interfere with the sweeping action. Debris goes directly into the front instead of underneath the sweeper.
